Rugged barbecue for any conditions! Manufactured from high-grade 20 gauge stainless steel in a beautiful mirror finish the Spitfire 180 provides high performance grilling without compromise! A stainless handle attached to the rollaway top allow for effortless opening and closing even when the barbecue is hot. Thick Stainless steel rod grill sections are perfect for great meals and easy to clean. A Thermometer is included for grilling and baking use. A push button igniter is provided for easy start up. The design prevents flame-out even in the windiest of conditions. As an added bonus, the Spitfire Grill includes a BONUS canvas cover!

All Dickinson BBQ models are free standing but can be equipped with our rail mounts, rod-holder mount, taff rail mount and "Scotty" type socket mount kit. The grill is set up to use a disposable propane bottle and with a bbq adaptor hose can be used with a refillable propane tank. For those with low pressure gas installations, a low pressure adaptor valve kit is available and a Euro adaptor will allow for the use of "campinggaz" style canisters.

We stand behind our products! In addition to the one year warranty for the Sea-B-Que itself, there is also a three year warranty on the burner bar (with return of registration card).
